To whom it may concern,

This letter serves as confirmation that On-Site Training has conducted various end-user computer training programmes for Investec over the past two years.

We have consistently been satisfied with the offering; their professionalism and expertise is evident in the feedback received from our staff and we would not hesitate to recommend On-Site Training based on our experience.

Should there be any further queries or concerns, please do not hesitate to contact me.

Yours sincerely,

A handwritten signature in black ink that reads "Gatter".
