**The Managing Director
Onsite Training**

Dear Richard

I would like to take this opportunity to thank you and your team for the A-class training services that you have provided to our organization in the past 6 months.

We are pleased to have chosen your team to drive forward our talent management strategy through the provision of integrated training and development interventions. The feedback from delegates has been outstandingly positive and we are beginning to see the ROI on our training and development strategy.

We look forward to a sustained relationship with your organization.

Regards
