RE: Customer Reference

It gives me great pleasure to provide On-Site Training with a customer reference.

Our company recently completed Microsoft as well as Soft Skills training with On-Site .We found our Consultant, Glen Davies, to be highly professional and efficient. He has gone beyond the call of duty to accommodate our Company's ever changing requirements and this has made the entire training experience much more enjoyable.

We look forward to future training opportunities with On-Site.

Kind Regards.
